

#brightertomorrowmap

a new tool that can lead someone
from sleeping on the streets to a
brighter future

a more effective way you can help

the brighter tomorrow
map is a project created by
volunteers at the
Focallocal Positive Action
Community

each time you see a free resource useful for a
rough sleeper, or if you'd like to offer something,
for example:

- showers
- clothes
- haircuts
- a chat
- washing machines
- CV/interview help
- 'suspended' coffees
- support groups

please take 30 seconds to post it at

[brightertomorrowmap.com](https://www.brightertomorrowmap.com)

The map is printable for handing out!
